The Need for Fundraisers

You may be wondering, “Why does Grant Rocket Football need to raise money?” Well, the answer is pretty simple. The cost for running our youth football program has gone up.

In past years, the money brought in through registration and concession stand sales was enough to break even. That’s not the case any longer. The cost for liability insurance is increasing. Also, the school will be charging Grant Rocket Football (and other organizations) a rental fee to use the schools facilities.

It’s the goal of Grant Rocket Football to keep the registration fees equal to last year. With that said, we have taken it upon our own organization to raise the extra money needed to continue this quality program for our area youth.

Please support us in our upcoming fundraising events!
